

## **Chinese Tribunals more rapid than in France**

The remarks made by Segolene Royal on Tuesday, January 9, during a press conference on the last day of her visit to China almost went unnoticed at the moment she made them. Madame Royal recounted having met a lawyer in Beijing who explained to her that "sometimes, the Chinese Tribunals are more rapid than in France"... Madame Royal added: "You see, before giving lessons to other countries, let's always look at the points of comparison...". When you know the summary justice meted out in China, you find that this is beyond comment.
